

MINISTRY HIGHLIGHT

David and Jennifer Allen, with their children Bethany and Max, serve as missionaries for the Africa Region. David works as the Africa Regional Finance Coordinator. He provides training throughout the Africa Region in the areas of finance, accounting, and stewardship. David works closely with field leaders to maximize resource use in order to accomplish the goal of taking the church where it is not already. David enjoys teaching young adults at his church in Johannesburg. Jennifer serves as the Donor Relations Coordinator for the Africa Region as well as representing the Church on the board of trustees for the housing complex in which they live. David and Jennifer were commissioned as Global Missionaries in 2017. They are thankful that they are able to use their talents and training on the mission field. David and Jennifer believe that strong stewardship ministries and effective stewardship practices are important in equipping the Church of the Nazarene to make Christ-like disciples in all the nations. To God be the glory!
