COVID-19 UPDATE

After much discussion here's what we have decided to do about our service this week.

We are cancelling our service for this Sunday. We will stream the service on Facebook live at 10:00 am. It will include the music, prayer time, greeting...everything. We are encouraging everyone to log on and join us that way. Sing with us, pray with us, even talk back and like things when you want to say "amen." At the very least we would ask you to say "hi" in the comments, so we know you are with us.

The quality may not be the same as sitting in the Sanctuary. We will do our best and we would ask that you worship from your heart just like you do when you're standing together in the Sanctuary.

For those who don't have Facebook, we will make a very quick edit of the entire service and get that posted on Sunday afternoon. You will be able to access the service sometime in the early afternoon at gvnaz.org.

The Children's Musical which was scheduled for March 22 will be postponed due to challenges all these changes bring. We will be giving you the new date soon.

We will also be letting you know what we will all be doing next week. We are in a season of flux and as such need to be flexible while remembering we are a community. Feel free to adjust your Life Group connections as seems wise to you. Please stay as connected as you can and meet needs as you can. If you find any needs beyond your capacity, please let the office know.

If we shift our focus, we will realize that what this is truly bringing us is an unprecedented opportunity. The rest of the community is in chaos and confusion. We are at peace. We can offer our valley the gifts that God has provided to us. A virus is no cause for us to panic or stop loving and serving our neighbor. Ask God what He would have you do. Mind Him. Serve Christ's kingdom first.

Thank you,
