## **UPDATE TO CHURCH ACTIVITIES AND PASTORAL VOTING PROCESS**

Well, here we go again! With the directions from our governmental leaders changing almost daily, we have made some changes to the plans communicated to you last week regarding church activities. In addition to what we previously shared, the ministry and office staff are now working from home. But rest assured that you can still contact us through the office number or individually as well. We want to hear from you. So that we can stay connected as a church body, our leadership team will be trying to make contact with you as much as possible during this time. If you have a need, please notify us by calling the church office. Just know that we are here for you.

Unfortunately with the new mandates, your leadership team has made the following decision regarding the church vote. **We will “push the pause button” for a minimum two weeks.** The board, District Superintendent, and the pastoral candidate are in agreement with this as well. Thank you so much for your patience and understanding. Please feel to contact Pastor Ron, Pastor Wes, or any board member with any questions you might have.

We have listed the names of the current board members below. We love and appreciate each of you so much. Stay safe and remember to “Fast and Pray.”

Blessings,  
*Your Pastors*
